**Organic  
Latex  
Mattress**

## **About Our Latex Mattress**

*Our commitment to excellence in craftsmanship and materials has driven us to create our signature Organic 7-ZONED & ERGO DESIGNER Latex Mattress. It features 100% Natural Latex encased in a luxurious organic cotton cover quilted. We've done the research and gathered the right high-quality, non-toxic materials so we could offer a mattress that is comfortable, durable, and safe*

*Our latex mattresses and toppers come in a variety of sizes and firmnesses to help accommodate any sleeper. All of our latex products are 100% natural which makes them hygienic, durable, natural, and safe. Anyone looking to improve an existing mattress should research our latex toppers, as they're the most economical way to transform any sleep surface*

### **YOUR HEALTH**

*Latex mattresses are hypoallergenic, anti-bacterial, mold and mildew resistant, and are an inhospitable environment for dust mites and bed bugs. Our mattresses only contain 100% Natural Dunlop latex from Eco-Latex Green. There's no polyurethane, no synthetic filters, and absolutely no surprising compounds*

### **YOUR COMFORT**

*Our 100% Natural Dunlop latex provides superior support. The 6" extra-firm core provides the structure needed to support bodies of every size, top layer contours to your body in all the right places. Latex also helps regulate your body temperature, without trapping heat like traditional mattresses*
